Novel Coronavirus Guidance Documents

Washington State Department of Health (DOH) has guidance documents for healthcare providers, laboratories, and EMS personnel on their website at <https://www.doh.wa.gov/Emergencies/Coronavirus/Resources>. Please check the site regularly as recommendations continue to evolve and change. You can also subscribe to be automatically notified when the page is updated.

Washington State has one confirmed case of novel coronavirus linked to the outbreak from Wuhan City, Hubei Province, China. As of January 29, 2020, there are a total of 16 persons under investigation and 67 close contacts being monitored in Washington. No new cases have been reported in Washington and there are no cases or persons under investigation or being monitored in Benton or Franklin County.
