SECTION 4: PORTABLE OR MODULAR BUILDING SIGN-OFF						
An on-site inspection is not required for portable or modular buildings that <u>meet the following requirements</u> . Select all that apply to affirm the new or remodeled portable/ modular building meets these requirements:						
Portable building specifications		Selection				
Portable building plans have been reviewed and approved by the BFHD School EH&S Program						
New/remodeled portable buildings will be used for general classroom instruction						
New/remodeled portable buildings are "dry" and do not contain restrooms or handwashing sinks						
No specialty instruction will occur in the new/remodeled portable buildings: science laboratory, visual or performing arts, CTE (shop/ maker's spaces, etc.).						
All portable buildings have been constructed/ installed according to manufacturer specifications.						
*Answering NO to any of the above conditions means an on-site inspection of the new/remodeled portable buildings is required prior to occupancy. If all the above conditions are true, BFHD will issue a written sign-off in-lieu of on-site pre-						
occupancy inspection. Sign-off can be expected in writing within approximately three business days of submitting this form.  SECTION 5: SIGNATURE						
I certify that I grant permission to allow the Health Officer and/or representatives to enter this school at their discretion for the purposes of application, evaluation, pre-operational inspection, routine inspections, or any subsequent inspections or investigations. I understand that review of these plans is based upon the rules and regulations of the State Board of Health for Environmental Sanitation for Primary and Secondary Schools, WAC 246-366.						
Note: It is the applicant's responsibility to ensure compliance with all other applicable state, county, and city agencies before opening the school listed on this application.	Applicant Signature	Date
